Sir,

Sub: Industries - Government Silk Filatures, Kollegal - Acquisition of further lands - Requesting.

The General Manager, Government Silk Filatures, Kollegal, reports that on a verification of the boundaries of the Government Silk Filatures, it is found necessary to acquire an additional extent of land in order to provide for more accommodation required for the use of the filatures within its compound. Accordingly he suggests that Survey Nos.885-A, 885-B, and 884-2 may be acquired. Of these S.Nos. 885-A and 884-2 measuring 24 cents and 19 cents respectively are patta lands and

acquisition proceedings are therefore necessary under the Land Acquisition Act. I therefore request that Government may be pleased to sanction the acquisition of the two survey numbers.

As regards S.No.885-B-1 it is a poramboke land being classified as Kuttaiporamboke. The Collector of Coimbatore may be asked to hand over this poramboke to the Government Silk Filatures.

The sketches showing S.Nos.884 and 885 with the details of the lands required are enclosed.

for Director of Industries and Commerce.
